Why not buy a home now, before the price of homes is also raised?
 Many houses called old can be modernized at small cost.

First, see that the surroundings of the property and transportation to it are satisfactory.

Second, insist that the seller furnish you an Abstract of Title or Title Guarantee Policy made by the Chicago Title and Trust Company.

Third, have the property conveyed to yourself and wife by a joint tenancy deed, then if either of you die the survivor will own the property without the trouble and expense of going through the Probate Court.

Go to any good lawyer and he will see to it that you receive the above.
